### Backstretch:

Senior Racing Official Dave Stewart in earlier today.

Jockey Agent Jordan Miller attended and enquired that Apprentice Jockey Kazushi Kimura would be eligible to carry a crop as he will have ridden the required five mounts prior to asking permission. His fifth lifetime mount is in the fourth race and he has mounts in the sixth and seventh races tonight. Mr. Kimura is required to call us following his fifth mount for permission.

Investigations conducted vehicle searches this morning at Woodbine backstretch east gate. Trainer Stephen Owens (119930) was found to have unlabelled medication and a syringe in his vehicle. Report is to follow.

Jockey Chris Husbands excused off his mounts today.

Following the fourth race Apprentice Jockey Kazushi Kimura requested he be permitted to carry a crop as he has now ridden five mounts. Request granted. Mr. Kimura was tutored on the urging policy here in Ontario. The change was announced to the wagering public.

### Film Reviews:

None.

Spoke with Eurico DaSilva regarding a Notice of review that was sent down from the 8<sup>th</sup> race on June 3/18. We decided not to review the race until Senior Race Official Gunnar Lindberg returns from vacation.

**Races:**

Race 1, Turf, Stewards' Inquiry regarding the start of #7 Arthemisa. Prior to the start the #7 turned its head and did not leave as soon as the stall doors opened. After speaking with the Starter and Jockey Rafael Hernandez it was decided that the horse received a fair start, no gate malfunction or interference from the assistant starter, no refund ordered. Rest ok.
