### Backstretch:

### Film Reviews:

Review of Sunday September 9, 2018, third race involving Chantal Sutherland and Christopher Husbands in an incident midway around the far turn on the turf. Christopher said he was in there and fading but wasn't completely done. She was coming around me and came in a bit, I just caught her heels. Chantal said she was going with the flow and thought I was clear. I was on a big horse and don't believe the portable rail is straight. After review it was determined Ms. Sutherland be levied a three day suspension.

### Races:

Race 1 – Clear

Race 2 – Stewards Inquiry and Rider Claim of Foul by Rafael Hernandez aboard #5 "Promise Me Bourbon" against #6 "Rose Ring" ridden by Ademar Santos for interference in the vicinity of the three eighth pole. Rafael said he was in there and yelling at Ademar outside that I'm there, he didn't give me a shot and I clipped his heels. I know he's on the favourite but he doesn't need to ride me tight like that. Ademar said he never put any pressure on Rafael but he was yelling for me to give him room, he pulled out to me to make a hole and I just held my ground, he caught my horses front heel. After review it was evident that Rafael did pull out and into Ademar as he was

running up on the horse in front of him and looking for room, Ademar held his ground but did not pull into Rafael. Claim of Foul is disallowed.
