Race 3 – #1 “Redoute’s Light” with Rafael Hernandez was away slow. Observed Steve Bahen aboard #3 “Prideofdistiction” check on the far turn but don’t have a good angle on the video. Steve said Eurico Da Silvas’ mount tipped out in front of him and had to steady. Spoke with

Eurico who was aboard #5 "Joe Clocker" and verified what Steve said. Explained that his horse was lugging out with him and tried his best to keep him straight. As Steve finished ahead of Eurico there was no action taken.
