Report on day's events:

(Accidents, claims, fines and/or suspensions, objections and/or disqualifications, refunds and any other pertinent incidents)

Emilio Trotta attended to inform us that they would be running the first race 2 or 3 minutes prior to the listed post time to try and co-ordinate post times with other racetracks running on this holiday.

Owner/Trainer Leanne Moffatt attended to ask if her horse Fast Tempered could be last for post parade and without a pony. The request was granted and asked her to co-ordinate with the paddock judge and outriders.

Film review, 5th race October 1, 2018. #1, T. Phillips lugs out to #3, T. Slater, approaching finish, #3 has to check, appears to cost him a position. #1 was third placed 5th for interference. T. Slater was not able to attend as he is done riding for the season. He did give us a statement last week that he felt he was almost knocked off his horse and it cost him a position.

It does appear the #1 is baring out and shied away from the Jumbo-tron in the infield, Phillips is urging right handed as his horse keeps going out until the #1 and #3 make contact. Mr. Phillips was reminded to make more of a concerted effort to steer with his reins as opposed to his crop. No action taken on Phillips
