Backstretch:

09:45 – Received a fax from the Pennsylvania racing commission regarding Owner/Trainer William Vito Armata regarding an outstanding fine due May 7, 2019. Spoke with Willie and advised he was to call the PA commission yesterday, to which he relayed he had not. We told that the ruling has him suspended as of yesterday if the fine had not been paid and he should contact them immediately and have them send us notice. If not received before scratch time, he would be deemed to be suspended and his horses entered would be scratched. Willie attended at 10:40 with funds to cover the penalty but we advised he would need a certified cheque. Once presented, we would contact the PA Commission and allow his horse to run but he would need to arrange remittance. Willie did supply the funds and is eligible to run.

09:55 – Sue Leslie called for clarification of the Initial Claim rule. Discussed the information and she has relayed that the rule needs to be revisited to promote new ownership and to keep the owners we have. Advised that the AGCO is currently reviewing the rule for possible changes in the future.

10:30 – Trainer Julie Belhuemer called to advise that her horse “Megalin Candy” slated to compete in today's fifth race will not be on the grounds. They were unable to get the proper paperwork to cross the border. \$200 monetary penalty for Ms. Belhuemer.
