Office:

11:20 – Owner Gerard McElvanna attended to say he has moved his horse from Trainer Warren Leblanc to Trainer Saul McHugh. Explained that Mr. LeBlanc has the papers for his horse and is holding them looking for money. Contacted Mr. LeBlanc who confirmed he was holding the Foal Certificate and was told he needs to bring them into the race office and said he would.

Film Reviews:

Review of seventh race from Sunday involving Cristopher Husbands, Kazushi Kimura, Emma Wilson and Kirk Johnson going into the far turn. Cristopher said he was just off heels and the inside horses came out, not much but enough that I caught heels. Kazushi said his horse gets out and even training in the morning he is tough to gallop and usually has another horse to the outside to help him around the turns. Emma said she was in front of them and kept a straight course. Kirk said he was on the outside and his horse was getting out with him, not part of the incident. After deliberation we felt Kazushi's horse did take a step out but he had the horses head turned hard to the inside trying to maintain a straight course. No penalty was issued to Kazushi.
