### Office:

10:05 – Trainer Don MacRae attended and relayed he claimed a horse “Miracle Silver” on June 5, 2019 and the previous owner had asked if she could stop by and say goodbye to her horse as she really cared for it. Don agreed but now she has made a habit of stopping by and was seen in his shedrow last night. Asked for us to speak with her. We called Merline Bhol-Ramnauth and she confirmed she did stop in last night but one of the employees was there and said it was ok. We advised she end the visits and she agreed.

10:15 – Trainer Darwin Banach attended to complain that he reported an incident where Trainer Harold Ladouceur had frequented his barn area and his hot walker while cooling a horse was pulling hay from his filly's hay net each time he walked by, that was a Wednesday and the filly was in a stake on the Saturday. Relayed we did receive the report and attempted to get hold of Harold yesterday and will again today. Spoke with Harold and he said he did walk down their side because he had lost his keys and thought they may have fallen out of his pocket somewhere around the shedrow. Advised he will speak to the Hotwalker about touching other peoples hay nets in future.

## Races:

Race 1 – Clear

Race 2 – Clear

Race 3 – The Steady Growth Stakes – Clear

Race 4 - #1 “Silent Gold” was scratched at the gate by the Official Veterinarian. Clear

Race 5 – Stewards Inquiry, owner and rider Claim of Foul (COF) by Jeffrey Alderson aboard #2 “Easy Bid” against #4 “Irish You Luck” ridden by Rafael Hernandez for interference through the stretch. Upon review it looked as if #9 “Dee Dee’s Angel” with Jesse Campbell aboard was impeded as well. Jeffrey said he was just making a move and the inside horse came out in front of him and took his room, had to check, stopped my horses momentum. Rafael said he went out on me, might have seen something, first time on turf. I tried to correct him as quickly as possible. Jesse said he was bothered as well but was well back and didn’t feel the need to claim foul. After review we disqualified #4 from third and placed it sixth behind #9. COF was allowed.

After review, the COF was disallowed.

Race 8 – Reviewed an incident just before the ¼ pole involving Jeffrey Alderson aboard #5 “Top Hat Trick”, #2 “Rafael Hernandez and #3 “Holz” ridden by Helen Vanek. Helen said she was bumped pretty good, not sure where the pressure came from but believes it was the outside. Jeffrey on the outside said he heard Helen yell but he was just holding his ground, got turned in. Rafael said he was following Eurico on the horse in front but never bothered anyone. After review the video was inconclusive and no change was made.
