### Office:

15:30 – Thomas Sprague attended re: conduct towards security personnel. Said the guard was not very nice towards my seventy eight year old mother and upset her. She has been driving me into the dorm for twenty some years and have never had a problem until this time. She drops me off, then turns around and leaves, I was walking towards the dorm area and yes I said a few things but nothing was directed towards the guard. I have since returned to apologize to the security office.

### Film Reviews:
