Film Reviews:

Review of yesterdays' eighth race, the Princess Elizabeth Stakes with Rafael Hernandez and Luis Contreras. Rafael struck his horse with the crop in the over handed or cocked position eight times through the stretch. Rafael said he is trying his best just forgot. We advised he has been warned on no less than four previous with the most recent in the first race. Monetary penalty of \$900 and a one day suspension. Luis struck his horse left handed twice approaching the wire, said he has a problem left handed, pulled it through and hit him on the hind quarters and once on the shoulder. Luis has had one previous warning.

Review of the third race, the Overskate Stakes with Kirk Johnson, Diasuke Fukumoto and Steven Bahen. Diasuke said his horse was full of run and Kirk came out on him and took his space, had to check. Steve said he was outside Diasuke and heard him yell when the inside horse came out

in front of him, said he kept straight. Kirk said his horse was getting out with him and as he turned for home and tried to let him run, he went out quickly with him. After discussion, Kirk was levied a three day suspension, days to be determined.

Race 10 – Stewards Inquiry into the stretch run regarding #4 “Foxy B” ridden by Diasuke Fukumoto which clipped heels with the #11 “Ojiisan” ridden by Gary Boulanger and unseats Diasuke. Diasuke said he thought there was a hole and when he got there it was gone. Gary said he heard nothing but watching the replay Diasuke runs into a spot where there’s no room. Mosquiera aboard #9 “Waubashene” and on the inside said Diasuke drove up into hole that wasn’t there. After review, it was evident Diasuke created his own problem, no change in order. Leo Salles aboard #10 “Fiery Bear” got away poorly and apparently the horse threw his head hitting Leo in the face. EMS was sent to assess Leo for any signs of a concussion as well they had assessed Diasuke and found him to be ok.
