Backstretch:

Extreme heat standards in place for tonight's racing. Protocols in place, received 3 scratches due to the heat. 9 off turf scratches.

All races scheduled for the turf have been taken off and will run on the All-Weather surface.

Meeting in Jockeys' quarters with WEG Officials, JBAC Representatives and two Jockey board members. The discussion revolved around safety protocols during a race when a horse is loose and proceeds the opposite direction in which the race is being contested. This scenario played out in the seventh race on Sunday June 16/24. The siren warning system was utilized but the field of jockeys did not hear the siren and continued to ride to the finish.
