Office:

Trainer Dominic Polsinelli attended for clarification for filling out a Claim Slip. We advised it needs to be fully complete which includes the Claiming Trainer's phone number. He is of the opinion that the claim slip is not clear and it needs to be adjusted as to where the phone number is to be included. We advised that Woodbine is adjusting the slip for future claims but that there have been many notifications and announcements regarding what needs to be on the slip in order for it to be a valid one.

Film Reviews:

Review with Pietro Moran and Shane Ellis and present was Daren Gomez regarding the sixth race on June 30, 2024. Shane, in Jamaica gave evidence via telephone. We spoke to two separate incidents, one going into the far turn and a second incident mid stretch. After reviewing both incidents and speaking with the riders, no further action was taken.
