Backstretch:

Trainer Alex Patykewich issued a monetary penalty in the amount of \$300.00 for a stable area scratch of Canadian Avro from the 3rd race today. TB Ruling #2789955.

To ensure the integrity of the 165th King's Plate, the AGCO and WEG collaborated to implement a 48-hour surveillance/retention period on all horses entered into the race. Late Friday afternoon the AGCO became aware that the horse "Bedard" was administered a quantity of the prescription therapeutic medication *methocarbamol* (Robaxin) at 12:50PM. The race day medication ban (rule TB 15.38) prevents horses from being administered substances within 24 hours of the post time of the first race of the racing card; the post time for the first race today is 12:25 PM.

Following an investigation, the AGCO Stewards have scratched the horse, "Bedard." Bets placed on this horse will be refunded in accordance with CPMA regulations.

Following the 1st race, Woodbine Racing removed all races from the turf on both courses. Race office and Clerk of the scales fielded scratches.
