### Office:

Trainers Jim Ensom and Martin Drexler attended to speak to a possible conflict of interest regarding Assistant Trainers. Mr. Ensom stated he did not have an Assistant in his employ but one of Mr. Drexler's does gallop a couple of horses for him. We iterated that Assistants are bound by their employ and we understand the needs of exercise persons on the backstretch. Afternoon racing requires Assistants to saddle only for their respective Trainers. Will monitor going forward.

Following the 2<sup>nd</sup> race, Chief Test Inspector, Darlene DiPaola, informed us that there was an issue with the administration of Lasix to the horse English Conqueror, post #3 in the 9<sup>th</sup> race, the Niagara Stakes, the administration was given earlier than the specified time and as per TB Rule 36.07, a horse shall be scratched in the event of an early or late administration, Trainer Darwin Banach was informed that English Conqueror would be a Steward scratch.

### Film Reviews:

Race 8, September 6, 2024. Sahin Civaci and Micah Husbands, Larry Attard as rep. Mr. Civaci stated his horse was getting tired and he did correct when it went out to the outside horse Mr. Husbands rode. Mr. Husbands said he was in the battle when the inside horse came out to him, and he lost a position when he had to take a hold. We accepted that he did try to correct when the horse moved outward prior to the finish.

Race 8, September 6, 2024. Micah Husbands and Jose Campos, Mr. Husbands does get his elbow over to Mr. Campos as to interfere with him, we sternly advised that this type of behavior and riding tactic is not welcome here. Mr. husbands issued a monetary penalty in the amount of \$500.00. Ruling will be forthcoming

Race 4, September 7, 2024. E. Flores and J. Stein, L. Attard as rep. The Stewards accepted the explanation of Eswan Flores that his horse did shy away from something and that he did correct his mount as soon as possible, and took no action
