Rachel said her horse broke well but spooked from something on the inside of the fence and went out into the horses outside me, I did the best I could to keep him in. Leo said the inside horses came out to him, had Rafael to my inside but not much I could do as I had a horse outside me. Rafael said the inside

horse came out into his path and caught that one's heels. After review, #1 was disqualified from third and placed last.
