### Backstretch:

Extreme heat standards implemented today.  
1 scratch submitted for heat, is excused

Call to Owner/Trainer Tedston Holder regarding the horse Wicked Miah, entered into the 7<sup>th</sup> race Sunday August 22, 2021. Horse appears to have been entered while on the Veterinarian list in the State of Florida. Has run here twice previously. Discussion revolved around previous trainers in Florida. Suspended trainer George Navarro was listed as the trainer of record in Florida, the horse never started and all horses listed of Navarro's were entered onto the Vet's list. We felt that this situation did not warrant a scratch of the horse due to exceptional circumstances.

Review with Trainer Sylvain Pion, Inspection #1286747, fail to provide medical records pertaining to the horses he trains. Is a violation of AGCO TB rule 15.09.01 (f). issued a monetary penalty in the amount of \$300.00. Ruling to be issued
