### Backstretch:

Trainer Shana Lopez attended to speak to the horse Diamond Rush that finished first on October 9, 2022, race 10. We asked if there were any changes made in the horses training regimen or equipment that may have changed the horses' performance from its previous start. She did explain that the horse trains well in cooler weather and the racing tactic of laying off the pace helped as well. The explanation was accepted by the Stewards.

Jockey Antonio Gallardo excused from his mounts today.

Jockey Kazushi Kimura will serve a three-day riding suspension, November 3, 4 and 5, 2022.
