Office:

Review with Jockey Rumesh Selman to address race one from July 29, 2021, at Fort Erie. Rumesh fell going into the first turn on the turf and broke his wrist in the process. He did not return and there was no chance to review the race with him at that time. We advised Rumesh that prior to his return, we need to review the race for his explanation of the event and he must provide a Medical Clearance. He explained the horse stumbled going into the turn and he must have lost his balance, said he didn't jump off but was unsure what made him fall off the horse. He relayed he will have a Clearance letter for us within the week.

Spoke with Jockey Olaf Hernandez and his Agent Tony (Hollywood) Micaloff regarding Olaf's status to be licensed in Ontario. We advised that until he is eligible to be licensed, he is not to be getting on horses in the morning and he is not to be named for races until the proper documents are provided.
