Race 8 – The Eternal Search Stakes – Stewards inquiry into the run around the far turn involving #6 "Bramble Queen" ridden by Luis Contreras who when making his move around horses loses its footing and falling to the ground. Luis was checked by EMS and cleared of injury and concussion and okayed to ride. Spoke with Luis who wasn't sure what happened, said his horse lost footing in behind and with the #9 "March of Dreams" backing up so quickly and everyone tightening up, my couldn't recover and went down. No change. #9 "March of Dreams" was eased and pulled up by mid stretch. Received a call from a rider about the condition of the inner course. Placed a call to Irwin Driedger Executive Manager of the Jockey Association. Advised the association that it is our opinion the last race be taken off the Inner Turf Course.
