Report on day's Events: (Backstretch - accidents, fines, suspensions, objections, disqualifications, refunds, pertinent incidents, general details etc., Film Reviews, Races, Claims)

Office:

Amendment to yesterdays explanation of the fifth race incident at the top of the stretch. The horse inside Contreras was the #1 with Steve Jadoo not Olaf Hernandez on the #5. Should read as follows: Reviewed the stretch run re: #6 "Coltons Dream" with Luis Contreras and #1 "Prince Sussex" with Steve Jadoo. Luis said he hit his horse right handed and he moved in away from the crop, wasn't aware Steve was inside him, said the #3 that passed him had left him plenty of room. Steve Jadoo thought the #3 horse, which finished second, squeezed Luis and in turn Luis bothered him but after review, realized that was not the case. Luis's horse finished behind Steve.

Race 7 – The Simcoe Stakes – Clear

Race 8 – Muskoka Stakes – Clear

Race 9 – Clear

Race 10 – Jockey Claim of Foul (COF) by David Moran aboard #3 “Awesomecrest” against outside horses. David said he was on the fence and a bunch came over on him, could have finished third. Slade Jones said it was tight and brushed with the horse to his outside which made his horse go into the horse to his inside. Leo Salles said we were all moving together and Slade made contact with my horse causing him to go in, thought he was clear of Moran though as they were all running by that one who was backing out of it. After review, the COF was disallowed.
