Races:

Race 1 – Jockey Inquiry by Patrick Husbands aboard #9 “Willy’s Castle” against #8 “Gator Spy” ridden by Luis Contreras for interference approaching the wire. Luis said he did go in but didn’t think that much, tried to keep straight, maybe the inside horse came out. Patrick said that the outside horse came over into his path and had to check, was on his heels, inside horse was not a factor, cost me a position. After review, #8 was disqualified from third and placed fifth.

Race 2 - Reviewed the run down the backstretch regarding #2 “Sandy Bay” ridden by Patrick Husbands, horse is checked hard but the video shows there's room to be in there. Patrick said it

was closing but his horse got scared and checked out of there on its own and before he was going to get out himself. No change
