Film Reviews:

Review of yesterdays fifth race involving Kazushi Kimura, Slade Callaghan and Juan Crawford. Irwin Driedger and Steve Bahen were present. Kazushi said the inside horse bumped him a bit and pushed him out and onto the heels of Slade who came in a bit, it was very tight he said. Slade said he went in about half a horse width but was running by Kazushi, thought the inside contributed to the problem and it was tight for Kazushi to begin with. Juan said the horse to the inside of him was getting out and my horse moved away from that one, did bump Kazushi but straightened quick as I could.

Review of the Autumn Stakes with David Moran and the use of his crop in the overhand or cocked position three times in the vicinity of the quarter pole. David said he didn't realize at the time but conceded the video was clear. David was issued a monetary penalty of \$700.00
