### Office:

Trainer Michael Wright attended to advise his horse "Stronger Together" slated to run in today's fifth race, got loose this morning and may have ingested a medication. The horse is scratched as a Stable Error. AGCO ruling #2433383

### Film Reviews:

Review of the third from Sunday November 12, with Shane Ellis and Leo Salles for interference through the stretch run. JBAC exec. Mgr. Daren Gomez was present. Leo said it was a tight battle to the end but Shane came out to my horse and bumped me twice through the stretch. Shane said the two of them were running side by side, my horse did go out twice and brushed Leo, it was the right call, I only beat him a nose. After review, Mr. Ellis did correct his horse after the contact, no action taken.

### Races:

Race 1 – Clear

Race 2 – #3 "Moet Monet" was a late veterinarian scratch, mutuel refund \$1,064

Steward's Inquiry into the run around the turn, involving #2 "Lady Gabrielle" with Justin Stein who

checks hard. #4 "Gunnawin" with Eswan Flores is on his outside, #9 "Few Regrets" with Fraser Aebly outside of that one and Rafael aboard #5 "Lookhowpretty" on the far outside. Justin said I was in there and the pressure was heavy from the outside horses, not sure who was at fault but I had to get out of there hard. Eswan said he got in between Justin and Fraser but Fraser's horse was lugging in with him. Frazer said my horse was laying in with me and knew Justin was inside then Eswan came up between us. Rafael said he saw Eswan run into the tight spot and I pulled my horse away from them because I thought there was going to be a problem. After review, it is obvious Justin was impeded but camera angles did not afford a view of who was the aggressor. No change
